Filner Picks Loli Torres As Citizen Of The Month For April

Congressman Bob Filner announced today that he has chosen Calexico's Loli Torres as his "Citizen of the Month" for April.

"Loli has demonstrated a life-long commitment to serving the farmworkers of the Valley," said Congressman Filner. "She is a remarkable woman -- she shows that with a big heart, a warm smile, and a lot of determination, each one of us can make a difference."

Loli Torres is in charge of the annual Farmworker Breakfast - an event where the Valley's farmworkers are recognized for the

essential role they play in the Valley. She has spent the last 15 years as an outreach worker for the Employment Development Department, focusing her efforts on One-Stop -- a program that provides job training to farmworkers with an acute need of additional skills.

Each month, Congressman Filner recognizes constituents who have given extraordinary service to their community and presents them with a "Citizen of the Month" award.
